How's It Feel To Be A Southridge Raider?

"How does it feel to be a Southridge Raider? How does it feel to be way up high? How does it feel to be any other? How does it feel to be way down low? This yell, overheard at a college game, was brought to Southridge. Adopted and introduced by the band, the "How does it feel?" question was asked at

various events: sports events, pep sessions, and band contests. Boosting Raider spirits ever since, the yell has been carried to Southridge activities until it reflects not only the sports scenes, but the everyday things at Southridge.

How Does It Feel To Be Way Up High?

Whether large or small, physical or emotional, we at Southridge experienced many highs throughout the year. Finishing semester projects, having a date with a special person, enjoying snow days again, or passing a test without studying all caused lifted spirits. Athletics also provided highs. Our cross country team won the PAC title, the basketball team beat rival Jasper, and the girls' basketball team captured a tourney victory. In addition, the band earned a third sweepstakes trophy. Presenting the school musical, anticipating prom, and going to award banquets highlighted the spring season which finally peaked on graduation day.

Have you ever had a day when nothing has gone right? The alarm didn't go off, and you were late for school, which in turn put you in after school detention. Trying to decide whether to cram for a test you forgot about or to speed through an assignment you heard was being picked up can really be tough. During mod eight you realize you forgot your gym suit and your lunch money. The rest of the school day is just as bad, and marching practice is a real killer. That night your team loses, and you really feel low. Sound familiar? Everybody has days like this now and then, but remembering the good times at Southridge helps to make the bad times a little more bearable.

... Way Down Low?

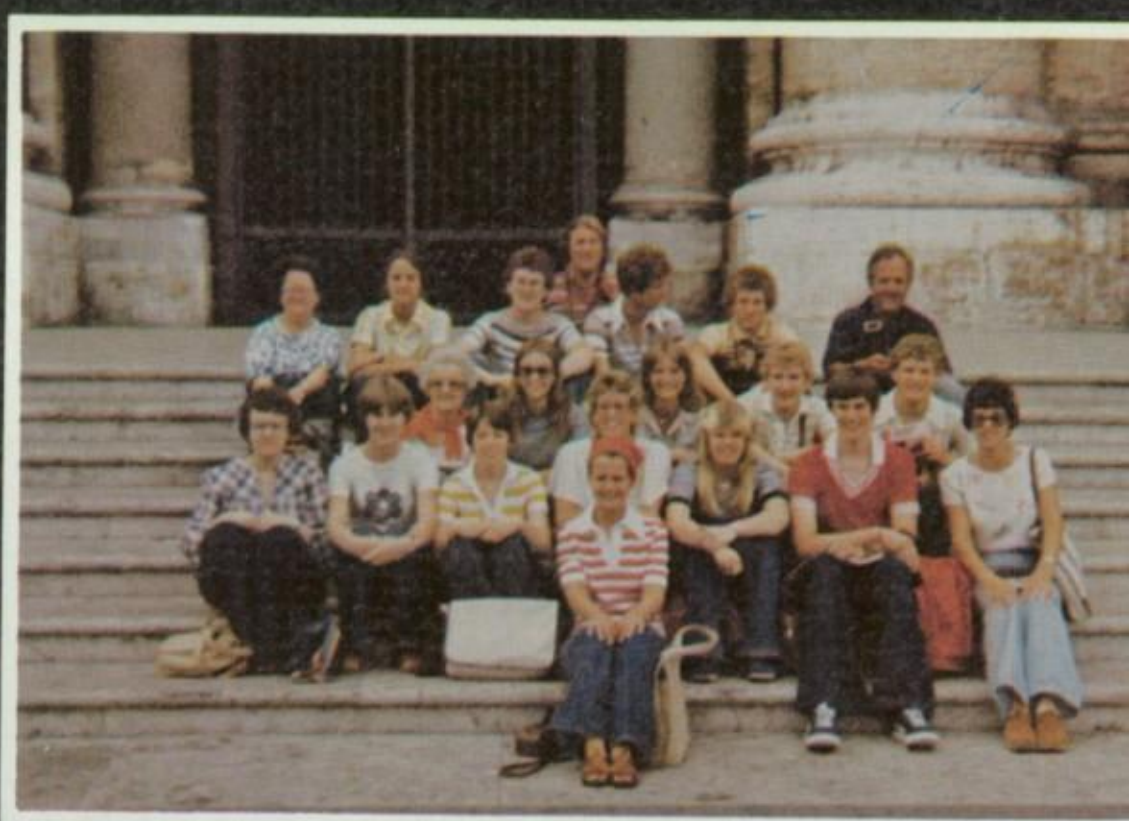

THERE'S SNOW DAYS LIKE HOLIDAYS

It's always nice to know a holiday is coming up and we're going to get a break from the books, but holidays don't necessarily have to be planned. We all know how great it is to wake up to the sound of our radios telling us we don't have school because snow has made roads hazardous. Putting our books aside during a free mod or two to read the paper, get a coke, take a dip in the pool, or even to just sit and not do a thing are all different forms of holidays. Anticipating a holiday coming is always exciting, but the unexpected pleasures of spur-of-the-moment holidays are unsurpassed.

Hard Work Helps Students Achieve

Although we don't like to think about work, most worthwhile things come about only after hard work. During the drudgery of work we all usually complain, but after the work is over, the good times and achievements are what we remember. Achieving a good grade is a chore in itself, not to mention extracurricular activities. A lot of dedication is needed to put on a musical or band show, or to host a successful prom, or to stick to a wrestler's diet, but the reward comes with a standing ovation a sweepstakes trophy, an unforgettable evening, or a PAC medal.

Here's What's New at Southridge

Getting anything new is fun, but new things especially brighten life at school. New schedules and classes break monotony; new teachers make us apprehensive at first; and stepping up to the next grade really makes coming back to school more exciting. Excitement is also generated by new things. The band, the cheerleaders, and several teams acquired new uniforms; and Memorial gym was improved with a four-faced scoreboard. Even the length of the day changed with the magical dismissal bell ringing at 3:15. So many different things teamed up to spark school life and make the year fly by.

Southridge Traditions Make School Memorable

Traditions play a vital role at Southridge. At the beginning of every school year each class looks forward to something special they will experience during the year. Traditions not only break the monotony of school like, but they also give the school personality. Prom, class jackets, class rings, Senior keys, graduation, the Brown Jug, dress-up-days, Homecoming, the spring musical, snow days. . . these are just a few of the traditions that make Southridge, Southridge.

Having the building shipshape is another tradition at Southridge. Plant superintendent Dick Grewe checks the boiler.

These familiar teachers have been here long enough to be considered a tradition. They are, l. to r., Arthur Stilwell, Jerry Hunefeld, Bob Schroeder, Verla Flick, Margaret Katterhenry, and Robert Luker.

Students Strike It Rich

With Facilities

Southridge High School—six years ago no one had heard of it; it didn't exist. Since then we've become a beautiful reality. We can't help swelling with pride when we have visitors. They marvel at our six tennis courts, our wall to wall carpeting, our big luxurious pool, and all our other great facilities. It's a fact—we've got it made! Who else has the lucky combination of modular scheduling, a mile-wide range of class opportunities, a caring faculty, 13 athletic programs for boys and girls, an A-1 band and choir, a great variety of club choices, plus those great facilities? Only us—the Southridge Raiders!!!

Seniors Powder Juniors 8-0

Once again the Junior Class sponsored the Powder Puff football game to raise money for the Prom. The Senior girls, coached by Greg Frick, Steve Luker and Jeff Sibrel pulled off an 8-0 victory. Before the water fights, fumbles, and scoring started, Ralph Wagner was crowned King of the Powder Puff. Scott Prior was announced Butler of Honor. Despite the rain, frozen fingers, and sore muscles, the night was a success.

Looking on from the sidelines, Rod Buschkoetter, Steve Luker, and Greg Frick plan the next moves.

Changes in Traditional Election

A new procedure for electing Queen's Court attendants was started this year. As in the past, the boys of each class nominated girls for their class attendants, and the entire class elected the attendants; in the future, however, a girl who has served one year on any court will not be eligible again until her senior year. Senior girls who are elected to the court become the nominees for queen, and the entire student body votes for the queen. Joni was crowned at the Southridge-Heritage Hills game, and Toni was crowned at the Southridge-Princeton game. Following both crownings, a dance was held in honor of the queen and her court. All arrangements for the crowning, including flowers and decorations, were done by the Student Council.

Homecoming Activities Spark SHS Spirit

Homecoming is a time when we have the perfect excuse to act silly and can really let our school spirit show. That's exactly what we did, too. During Football Homecoming Week we wore even stranger attire than normal for Raiders Can't be "Topped" days. But the freakiest clothing of all was seen on Look Your Best for the Raiders day, when the Seniors surprised everyone by showing up in formals and suits.

School spirit reached its highest point, though, in what most of us thought were four of the best floats ever. Basketball Homecoming had its share of good times, too, with Sock it to 'em Raiders and Crazy Hats days. And who will forget The Gong Show production at our own SHS pep session? Football and Basketball Homecoming activities really turned out to be fun and memorable.

“Come Sail Away”

Spring Fever Hits Epidemic Proportions

The first hint of warm weather brings with it the yearly epidemic of "Spring Fever". Not only are students affected by the disease, but teachers as well. Severe cases of the blahs combined with restlessness are the first symptoms. As time progresses homework takes second billing, and the library crowds grow continually larger. Extreme forms of the disease result in the skipping of classes and screaming between mods. There is no known cure for this syndrome; however, for some strange reason, it seems to fade away on May 25.

When the kids are away, the teachers will play. Mr. Younker clowns in his costume for the pep session that never was.

ORGANIZATIONS

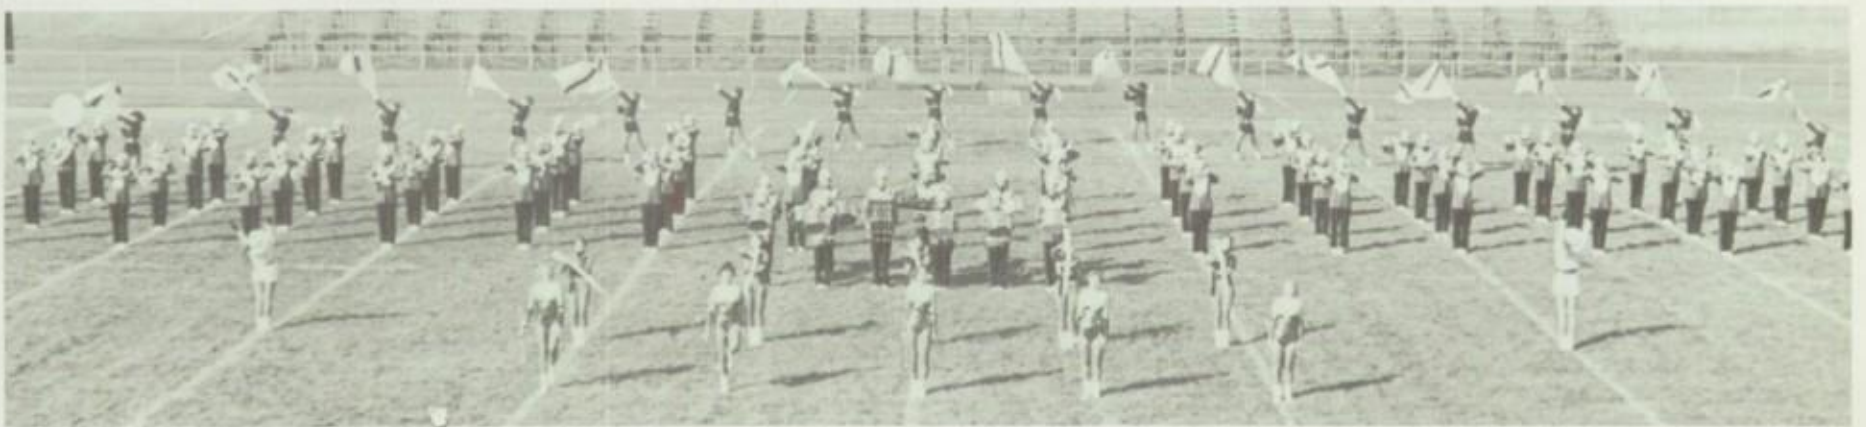

Marching Raiders Earn Third Sweepstakes

Unlike other school organizations, marching band began in the summer. Evening practices and freshman marching started in June, but we didn't actually learn the show until band camp in August. Here, the freshmen were officially initiated by heat exhaustion and the drudgery of memorizing music. After stomping trenches in the field for many long hours, relief came to many by removing smelly tennis shoes from hot feet and racing for the coke machines. Complaining of minor miseries came easy at band camp and while perfecting the show during the next two months. Late evening and early morning practices sometimes seemed unbearable, but knowing that our goal was within reach kept us going, and we stuck it out just a little longer. Whether we were performing at the IU football game, an SHS football game, or in a parade, praise and encouragement instilled in us a sense of pride and determination. Winning the sweepstakes trophy at the rain delayed district contest was only the first step; we wanted nothing less than a second state championship. Backed by local fans and the chant "Hey you, make it two," we boarded crowded buses and headed for Terre Haute. Our spirits were high and optimistic after our nearly perfect performance. We were filled with anticipation as we waited in the cold. Tension filled the air—we were announced third: silence was the only response. Hearts sank, eyes blurred; it seemed to be the end of the world. Our dismal group headed back to the buses to be comforted by our directors, Mr. Robertson and Mrs. Springstun. Their words were not discouraging. As the seniors gathered about Mr. Robertson he told us we would always be number one with him and that it is easy to be a good winner but more important to be a good loser. We wiped away our tears and held our heads high: we were and always will be proud to be members of the Southridge Marching Raider Band.

Concert Band Rates Their Highest Scores Ever

The Pep Band provides halftime entertainment under Sara Springstun's direction.

This year, the 1977-78 Concert Band compiled their highest scores ever for a first division rating at contest. They also gave a Christmas and Spring Concert where they displayed their newly purchased uniforms to the audience. The Spring Concert and the Annual Band Awards Banquet which followed it were very sentimental occasions. Tears were shed at both of them when the words "goodbye: and "thank you" were said to the enthusiastic senior class. They were welcomed into the band as young eager-to-learn boys and girls. Four short years later, they were bid farewell from the Southridge Raider Band as proud young men and women.

Band Council representatives are Suzanne Ellsworth, Jean Rosenblatt, Lisa Norris, Sandy Henke, Steve Parke, Toni Borden, Denise Jochum, Joni Wibbeler, and Judy Woodall. Sophomore and junior representatives were not present.

for Perfection

The auxillary corps is made up of flags, rifles, twirlers, American Party, and the drum majorettes. Practicing many extra hours, the corps strive to improve and perfect their routines. Practices and performances don't stop after marching season is over; Winter Guard starts practices for basketball games and corps contests. In competition at Charlottesville, the guard received a first rating, and the twirlers achieved an excellent rating. Sara Springstun was the auxillary corps director. Not only did she spend many extra hours creating routines and then teaching them, but she also instilled in the corps the pride that was responsible for their successes of the year.

Drum Majors are Toni Borden and Jill Morgan.

Rifle Corps members are Cindy Ingram, Dede Dittmer, Donetta Dittmer, Penny Dittmer, and Bernie Stuckey.

Choirs, Ensembles Win Firsts,

Senior choir members gather around the piano to rehearse a song.

At Southridge, students who participate in choir may be involved in varied activities. On the Freshmen level there is a mixed choir. Students from the upper three levels comprise the school chorus. From this group the Swing Choir is chosen. The all girls chorus is comprised of all girls in both choirs. This group won a first division rating this year, and three of the choir ensembles won a first rating at state contest. In addition to performing at four school concerts and helping with the musical, choir members also found time to perform for various civic and school organizations.

In their performances throughout the year, the Swing Choir adds choreography and pizzazz.

Perform at School Concerts

The Freshman Choir is a group newly added to the musical department.

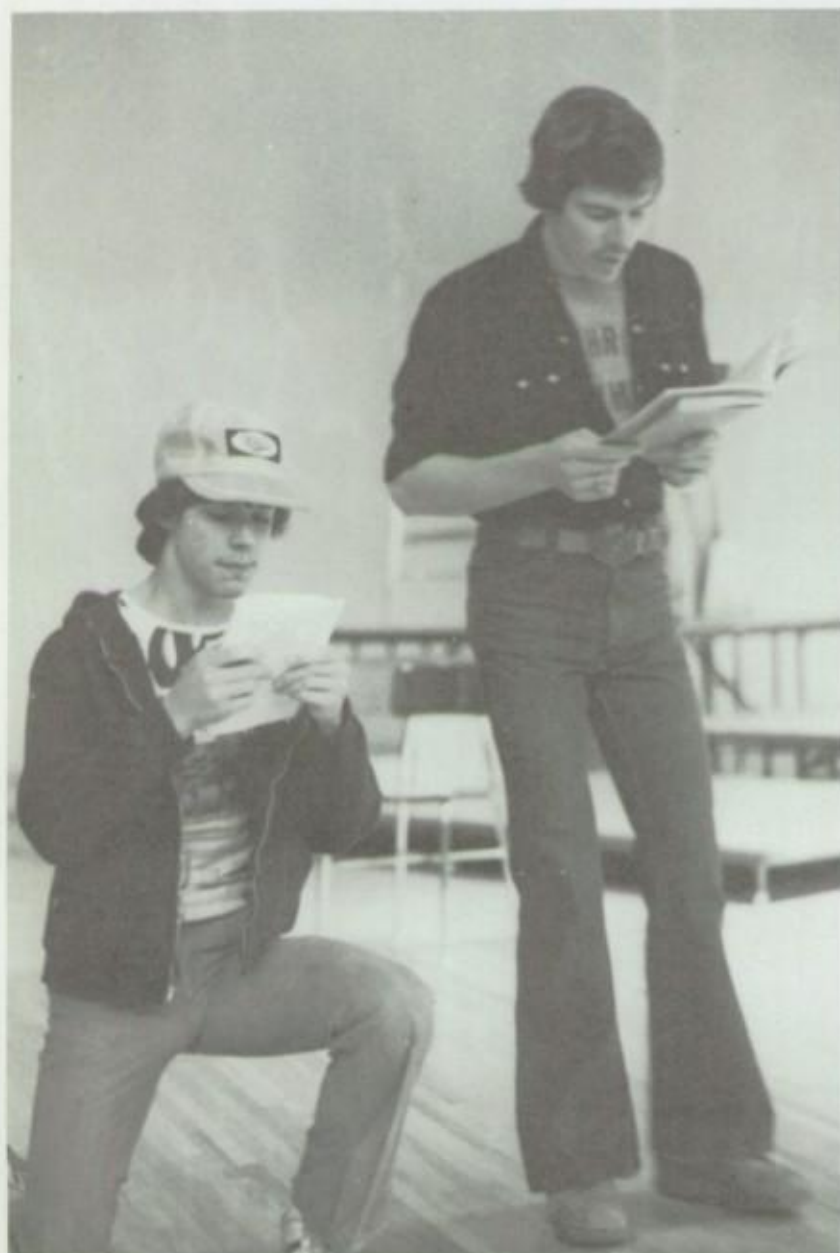

The annual Arion Award was presented to Mike Neuman by Mr. Roesner.

Under the direction of Mrs. Paula Alles, the mixed choir consists of approximately sixty members.

Southridge Succeeds in 'Business' for

The Pulitzer Prize winner "How to Succeed in Business Without Really Trying" was selected for the annual spring musical and was presented on April 14 and 15. Keith Younker and Paula Alles directed the cast, Sara Springstun provided the piano accompaniment, and J.D. Robertson directed the student orchestra. In addition to their roles, cast and orchestra members teamed up to build sets, collect props, organize programs and put on make-up. Because the success of any musical production relies on the dedication and hard work of the cast, a Most Valuable Cast Member award was presented this year for the first time. The winner of this award, determined by the votes of the cast members only, was Pete Mather. After the last curtain call, the audience concensus was that this year's cast 'succeeded.'

FHA Achieves Honorary Chapter

Future Homemakers of America had a very active year. They started out by having a swimming slumber party and installing new members. This year's project was "Wanted: Healthy Babies." During FHA Week the club showed movies in the Home Economics Department for the second year. Southridge's FHA Chapter achieved the honor of being an Honary FHA Chapter. The club ended the year with its Annual Mother-Daughter Banquet and installation of new officers. Old and new officers received carnations while the sponsors were given corsages.

Student Council Establishes

Southridge's 1977-78 Student Council had a very energetic year. As usual, the council sponsored several convocations and the Basketball and Football Homecomings. In an effort to support the Raider Band, the council provided the funds for one full uniform. Also, the council members assisted the hospital staff in the annual disaster drill by acting as the victims. Perhaps their most meaningful project was the presentation of the Most Active Club Award. This was established to support and recognize extra-curricular activities through clubs. The council's officers were President Julie Olinger, Vice-President Larry Altstadt, Treasurer Pam O'Brien, Secretary Jean Rosenblatt, and Reporters Jeff Sibrel and Tammy Wertman.

One of the convocations sponsored by the Student Council was an acrobatic performance by the famous Walden family of Belgium.

FCA Designated Most Active Club

The Fellowship of Christian Athletes increased its membership as well as its activities to earn the first Most Active Club Award presented by the Student Council. Members of the FCA choir again sang at various churches and explained the purpose of FCA. Throughout the year the club earned money for good causes by collecting for UNICEF, parking cars, working concessions at ballgames, and collecting for the special Olympics. One Sunday of each month was set aside for fellowship and competition between huddle groups at the Dogpatch Olympics. Spring activities included a car wash, staging the first (hopefully annual) Almost Anything Goes, and a well-deserved trip to King's Island. A spring banquet with Jimmy Fiex as guest speaker was hosted for sponsors, members, parents, and other guests. The final event of the year was the singing at the all sports banquet by the FCA choir.

Media Club Sponsors Many Activities

The Media Club helped boost school spirit with their many posters and displays. Here Cheryl Michel and Janet Oeding work at one while Sharon Thimling plays sidewalk superintendent.

Member Elected Dixie Bibliophile President

The Media Club started the year with a picnic at Holland Park. They attended the Dixie Bibliophiles, and Jane Harris was elected president of the organization. Book Week was recognized through posters and the author contest. Once again the Paperback Book Fair was held in February. On May 6, the club ventured to Cincinnati for a day at King's Island.

The Chess Club was under the coaching of Mr. Keith Younker. It consisted of students who met during ECA to use their skills against each other.

1977 Invictus Wins Four Awards

The 1977 Invictus earned four awards at the University of Evansville's Journalism Day. An excellent rating and first in photography accompanied by recognition for achievement copy, theme development, and overall yearbook were honors for those of us who worked on that book, but it also set our goals for this year's book. Trying to again create a winning yearbook, we put in many long hours at meetings and at home. Often discouraged by headlines that were one letter too long, body copy that refused to make sense, and pictures that just wouldn't fit, we sometimes wondered if we could possibly put together the whole book. With the snow delay, our color deadline was tough to meet, but we made it. This was only the first step. As the dummy book grew and final mat supplies dwindled, we looked forward to the delivery date with anticipation. We certainly hope we have done our job in supplying the students with a book to remember and enjoy.

Pep Club Encourages Raider Teams

This year the Pep Club organized squads that supported their specified sports and made posters to boost the teams' spirits. They also encouraged attendance to all of the sporting events. Following tradition the Pep Club encouraged competitive yells and made hoops for the basketball games.

The sectional games brought SHS enthusiasts to their feet as they backed the Raiders through thick and thin.

Sponsor and officers of the Spanish club are Sponsor Rosemary Fischer, Vice-president Scott Eckert, Reporter Robin Miller, Secretary Belinda Cook, Vice-president Julie Duncan, President Jill Well-

meyer, Vice-president Deb Rummel, and Treasurer Nichole Gray who was absent when pictures were taken.

Language Clubs Study Cultures

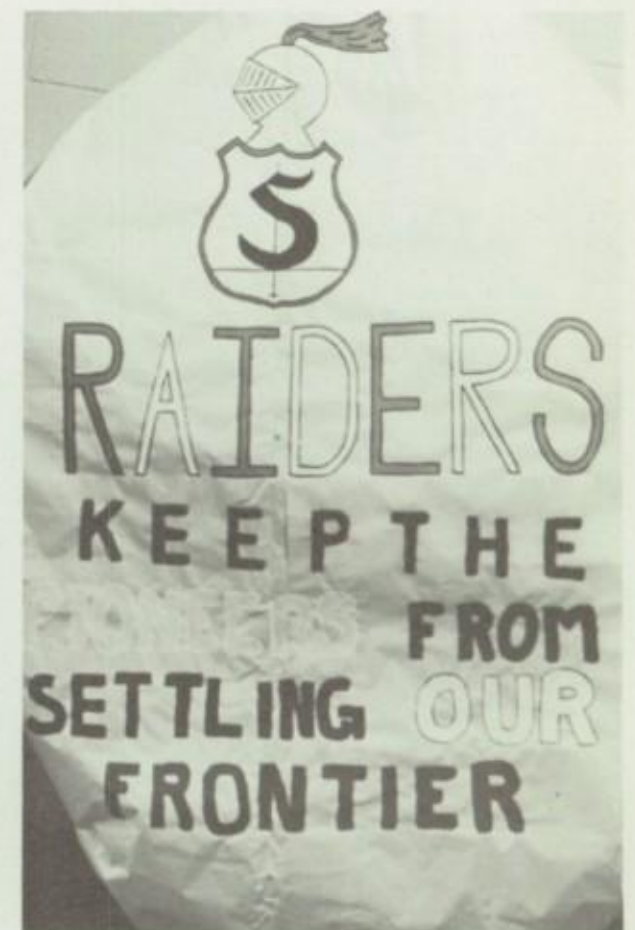

With Miss Terri Droege as the sponsor and the elected officers, President Steve Dykes, Vice-president Lori Blesch, and Secretary-treasurer Diane Michel, the Pep Club kept spirits high during Raider games.

The German Club enjoyed many activities this year. Members who studied in Germany during the summer of '77 showed slides at some meetings. A German dinner was held at the Schnitzelbank for German Club members. The Spanish Club also viewed many slides. One activity was planning a Spanish meal cooked and served at Julie Duncan's house.

The German Club, with elected officers President Jim Harris, Vice-President John Buening, and Treasurer Dale Altstadt, held meetings ranging from panel discussions to looking at slides from Europe.

The basketball hoop was one of the many ways of boosting the morale of our team.

Journalism, Photography Begin Second Year

Journalism class is a growing part of our school and deserves recognition for its hard work. More goes into printing a newspaper than writing articles. Layouts have to be made, artwork chosen, and printing and opaquing has to be done by graphic arts. Then the paper had to be stuffed and distributed. All the hard work was worth it when the class achieved its goal of providing the school with a newspaper they could be proud of.

Photography club entered its second year at Southridge with a high degree of interest. It was slowed down by the bad weather; however, they still met and held the annual Photography contest. The contest was the main achievement of the school year and received a good response from the student body. Winners were Tony Woods, Mike Songer, and Jane Harris.

(Bottom) Our Journalism Staff consisted of: Advertising Manager and Sports Editor, Kent Olinger; Sponsor Mr. Stilwell; Page Editors, Becky Mounts, Pam Marret, Tammy Harris, Becky Steineker, Maureen Walden, Linda Hopf, Roxi Grey, and John Drexler; and Editor Jane Harris.

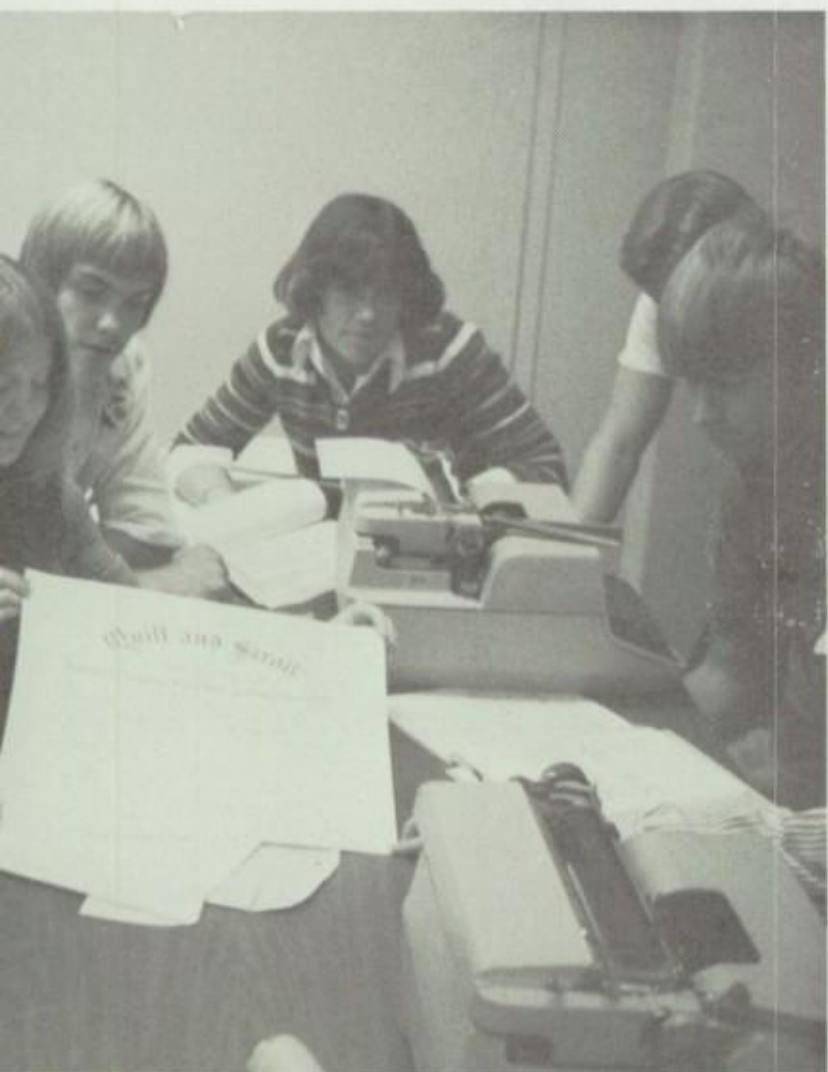

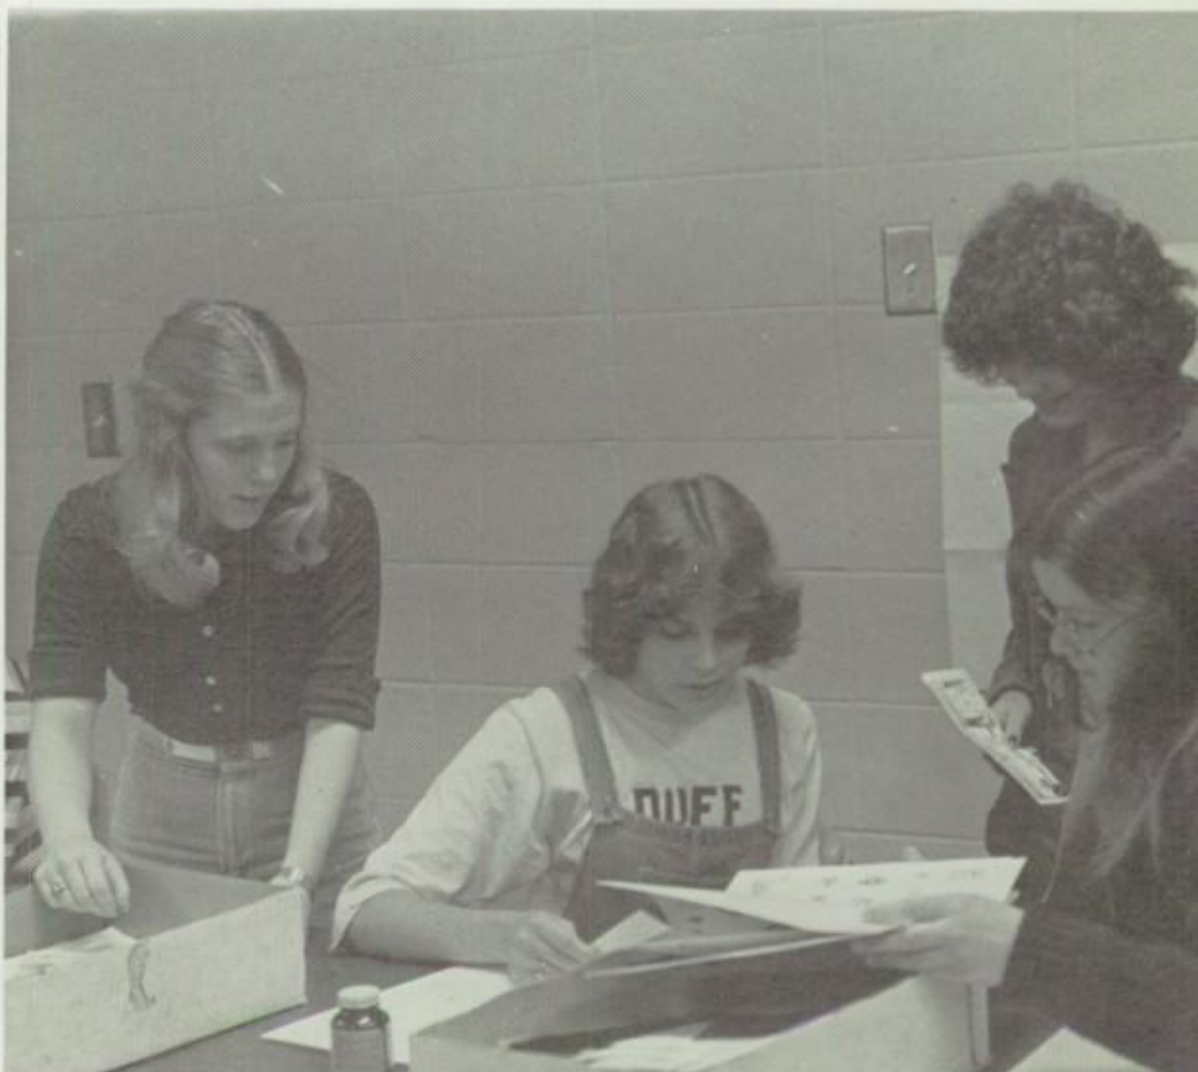

Stuffing the newspaper is also an important task. For our Christmas edition we were aided by members of the Photography Class.

Members of the Camera Club included, Jane Harris, Mike Dwyer, Dave Seidl, Doug Stephens, Jay Boeglin, and Sponsor Mr. Stilwell.

Besides writing articles, choosing artwork is important. Jane Harris, Becky Steinker, Maureen Walden, and Linda Hopf are shown choosing artwork.

Industrial Arts Names Two Hammer Winner

Industrial Arts Club had a good year under the sponsorship of John Blemder. The years activities included field trips and group meetings. The Golden Hammer Award, given to an outstanding senior boy in industrial arts was awarded to Jeff Summers and Greg Gentry. Senior members of the club were Stan Kippenbrock, Palph Wagner, Terry Schwartz, Lee Ray Schmitt, Greg Meyer, Ed Temple, Scott Birkle, Kenny Bryant, Terry Siebe, Jeff Summers, and Steve Parke.

The Science Club, under Mr. Menke, had a full year of activities. These activities included field trips to St. Joeseeph Hospital and Compu-Dat. On clear nights members could be found looking through telescopes at star filled skies until very late.

Clubs for All Seasons, Reasons: Optimists

Three newly established clubs are the Junior Optimist, the Weightlifting, and the Girls' Tennis clubs (no picture available). The Junior Optimists Club was organized by actual Optimist members, Jerry Hunefeld and Greg Akers. The club operated with the same goals and creed as the nationwide Optimists Club. The Weightlifting Club consisted of boys striving to prepare themselves for sports or just wanting to get in shape. Activities of the Conservation Club included a fishing contest, a spring field trip, and a guest speaker who is a conservation officer. The requirement of Lettermen membership is to have at least one athletic letter.

Raiders Break Even

After starting out slowly by losing the first two games to Jasper and Washington respectively, the gridders got on track to win the next four before losing to Heritage Hills. Shutting out Wood Memorial at homecoming and losing the last two games placed the Raiders fourth in the PAC. Another team disappointment was missing the playoffs by one loss too many. In spite of the team's disappointment, there were individual player awards. Steve Luker, Greg Frick, and Jeff Williams were voted all PAC, with Jeff garnering an MVP in the PAC, and Jeff Sibrel, Scott Prior, and John Schwartz received honorable mention.

1977 Runners Set PAC Championship Pace

The Southridge runners tallied an excellent regular season record of 36 wins and 2 losses. The team finished second out of eleven teams in the North Posey Invitational. The Raider runners won the Shoals Invitational and also cap-

tured their first PAC Championship. They finished a disappointing tenth in the sectional, but with seven of eight lettermen returning next year, the Raiders can look forward to another good season.

Record Breaking Volleyball Team

With five returning lettermen, the Raider volleyball girls turned in an even record of ten wins and ten losses. Working hard on fundamentals, the Raider girls broke all records in blocks, spikes, sets, bumps, aces, and total team points. The team proved to have high spirits when all eleven varsity members earned a letter.

Seven Swimmers Make Sectional Finals

With five lettermen returning, the Raider girl swimmers had hoped for a winning season but ended with a 1-9 record. In spite of this, there were many records set. The 400 freestyle relay team broke the school record, and Laura Olinger established new marks in the 50, 100, 200, 500 free, and the 100 butterfly. In addition to these achievements, sixteen team members earned varsity letters. Belinda Cook, Chris Gasser, Lori Killian, Pam Marret, Jill Morgan, Laura Olinger, and Sharon Thimling earned berths in the sectional finals. In these Jill Morgan earned a second place and became the only Raider to qualify for state. With a large team returning, the Raider swimmers are looking forward to a successful season next year.

Snow Shortens Boys Swim Season

The Boys' Swim Team was headed by Seniors Mike Gentry, Mark Mullis, and Mike Neuman. The enthusiasm and confidence developed through hard practices seemed to be weakened as the weather canceled meet after meet. Cheerleaders' Spirit Continues to Shine

The SHS cheerleaders started their training season early as they participated at summer camps. The Varsity, JV, and Freshmen all attended the National Cheerleaders Association workshops at Vincennes University. Southridge was well represented each week at VU. The first week Sue Neukam was awarded the Best Gymnast trophy, and the Varsity brought home a spirit stick. The third week the JV was awarded a certificate for being in the "Top 5" squads, and Belinda Cook received the Best Gymnast trophy. The JV also brought home a spirit stick. In August the Varsity and JV combined to receive second place in the Vanderburgh County cheerleading contest at Evansville. Once again the "Spirit Can" and Spirit Stick" were used to encourage competitive yells within the Pep Club. This year there were two graduating seniors, Fay and Sue Neukam.

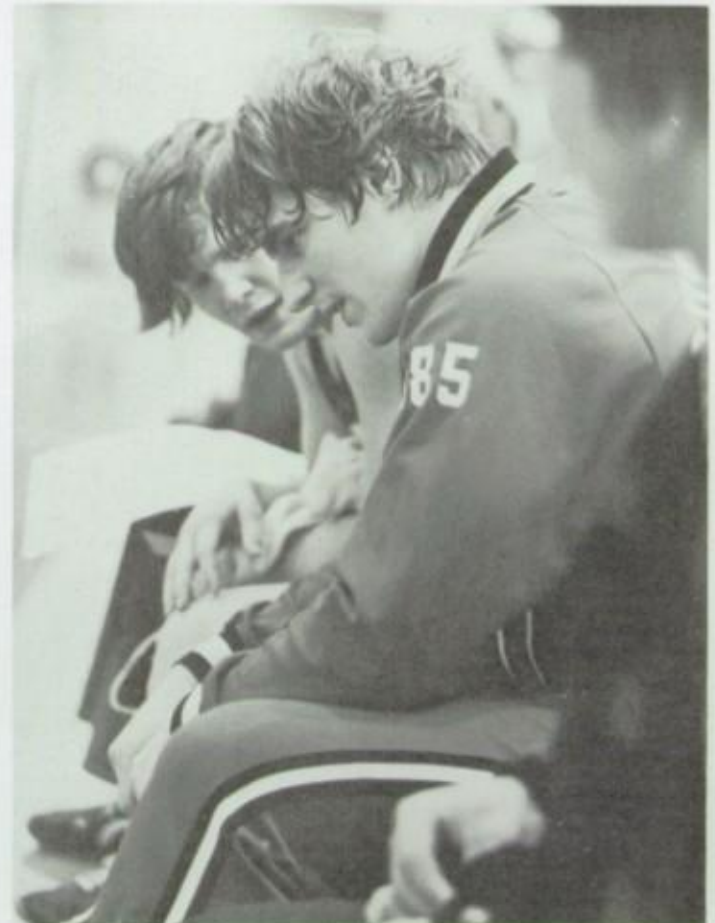

Wrestlers Get Four PAC Firsts

The Raider Wrestlers, up against some rough competition, managed to win five while losing seven. This record does not show how many individual matches were close, nor does it indicate how close we came to a better record because three of the meets were lost by a total of ten points. Add to this the loss of four-year man Pete Mather because of illness, and we really catch ourselves saying "if." At the PAC held at Heritage Hills Coach Mihajlovits' matmen came up with a close second. Outstanding individuals for the Raiders this year include the PAC Conference Champs Greg Frick, Kevin Ingram, Jack Martin, and John Schwartz; North Knox Invitational Champs Greg Frick, Kenny Ingram, Jack Martin, and Pete Mather; and our sectional winner Kevin Ingram who also became the first Raider wrestler to qualify for the semistate by pinning down a second place in the regional.

Raiders Pull Through Dismal Season

The 1977-78 Raider Basketball Team finished the season with 9 wins and 12 losses. Although inexperienced, the Raiders looked very impressive with a regular season win over rival Jasper 54-52 and a 68-37 Holiday Tourney victory over PAC champs Pike Central. There were times when the Raiders couldn't put it together, but when they did—they did it well. With a 4-3 PAC conference record, the Raiders ended in a three-way tie for third. A sectional defeat by Jasper eliminated the Raiders and ended Mr. Gary Duncan's first year as head coach. Keith Becher was named to the All Conference and Sectional teams. Rick Kamman set a new school record for number of steals, while Jeff Williams was the team leader in rebounds.

New Tactics

We entered the gym not knowing what to expect. We had one returning letterman. Practices were hard but we survived. We had one thing going for us. We played together as a team. None of our guys were taller than 6'3". We gained a lot of experience through both our wins and losses, but the wins over Jasper and Pike Central really made our season. We ended the season with a 9 win 11 loss record. We played Jasper in the first round of the sectional. This time they were more than we could handle. Coach Duncan consoled all of us seniors by acknowledging that it was a hard season for all of us. He was correct, but we leave behind our hopes for a more experienced varsity team next year.

JV, Freshmen Have Ups and Downs

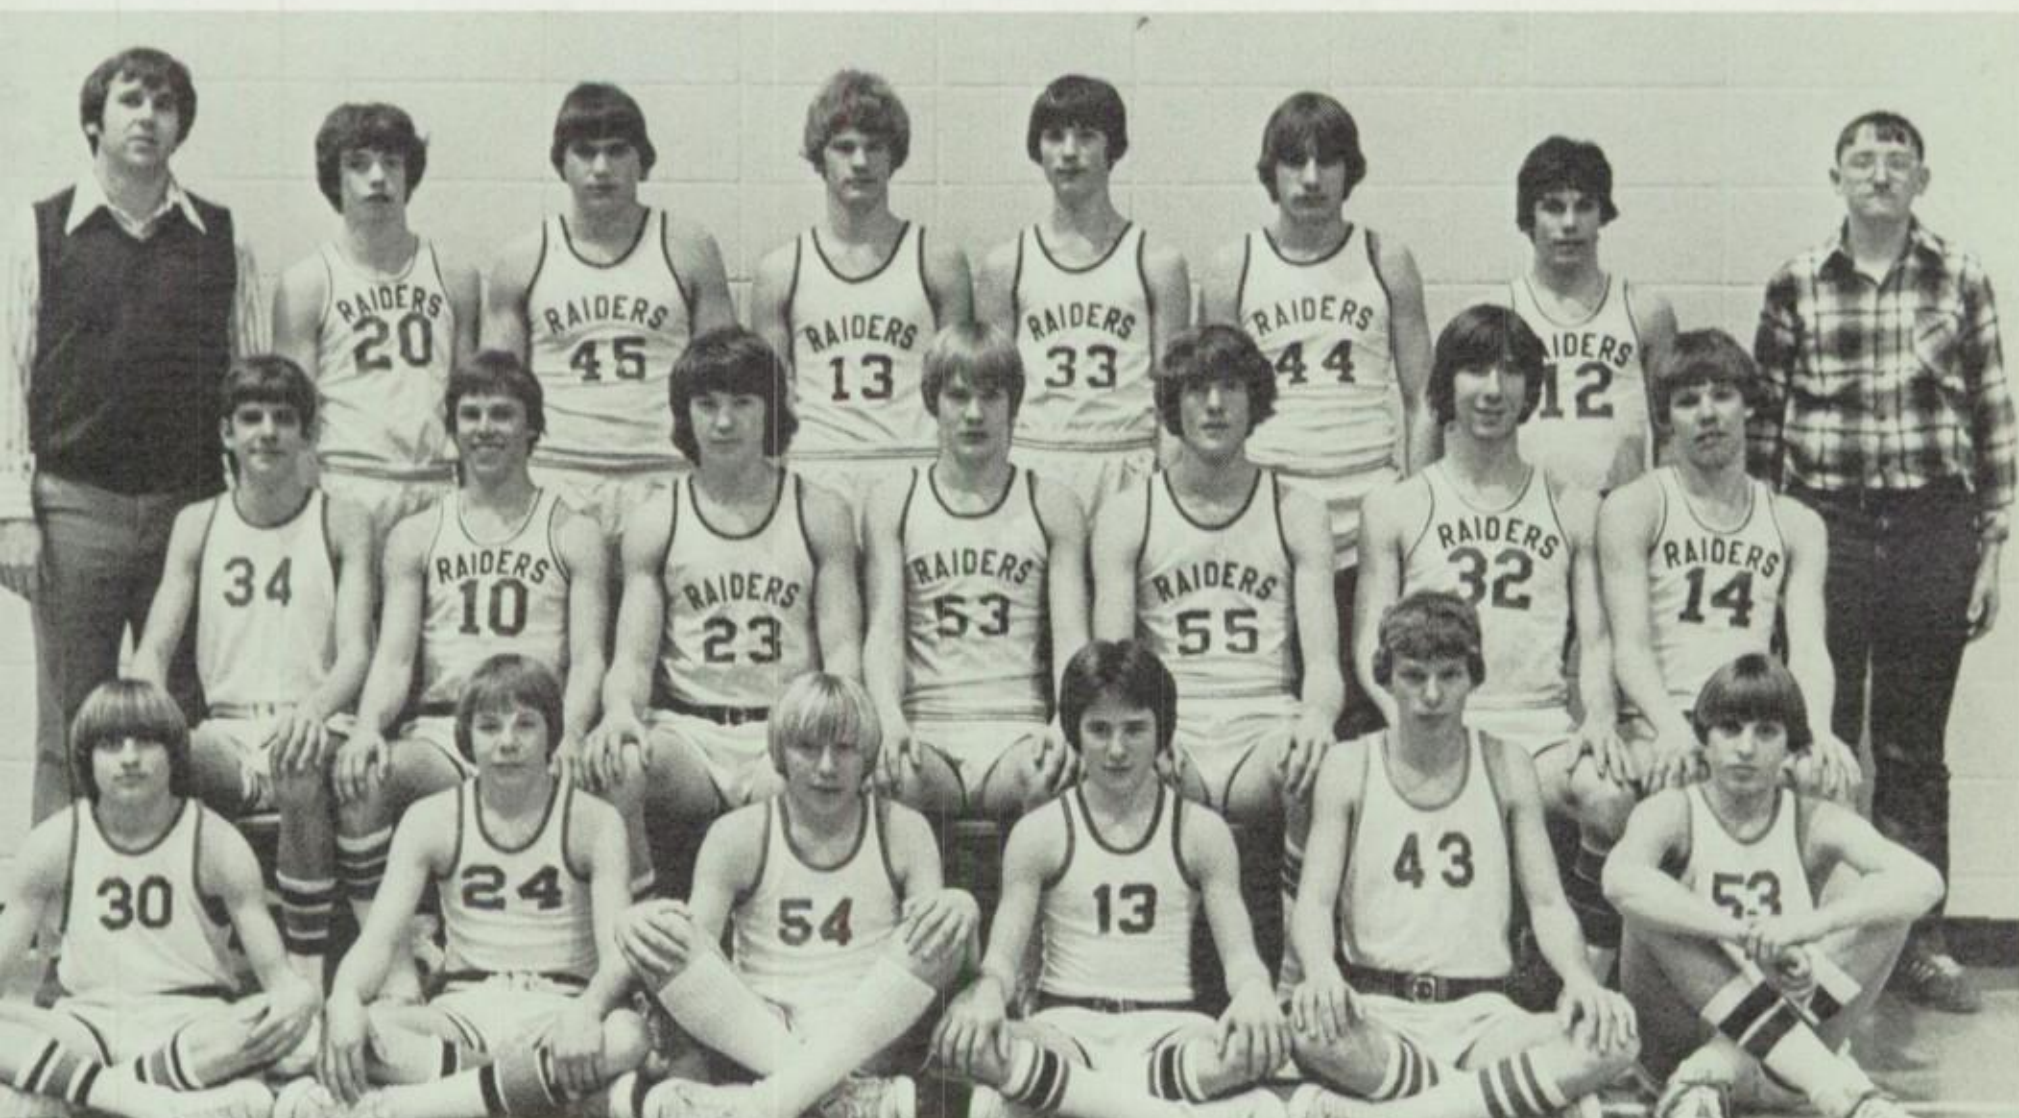

Members of the JV basketball team include: Front Jeff Bueltel, Mark Caldemeyer, Scott Buse, Wendell Selvidge, Mick Kamman, Man-

ager Tom Fuhs. Back: Manager Don Wright, Danny Barrett, Kevin Brown, Coach Wayne Ransome, Randy Langebrake, Stan King.

The JV team started the season slowly winning only one game before the Christmas break. Once the new year came, the Little Raiders started playing basketball. Their defense was good enough to enable them to end the season with an 8 win 11 lost record. Gaining valuable experience with the early season losses made the later victories more enjoyable.

There were twenty boys on the freshman squad this year. The A team had a 6 win 8 lost record while the B team posted a 4 win 7 lost record. Both teams showed a lot of improvement throughout the year, especially on defense.

Members of the Freshmen basketball team include: Front: Jeff Oser, Duane Englert, Robert Short, David Underwood, Chris Lindauer, Mark Williams. Middle: Kevin Olinger, Joe Buening, Scott Ferguson,

Winning their first Holiday Tourney at host Perry Central highlighted the girls' basketball season. With two new coaches, Jim Marchand and Rosemary Rischer, and only three returning lettermen, the team was quite inexperienced. Unfortunately, they were unable to play all their games because snow complicated the season. When sectional was finished, two regular season games had not yet been played, but when the final buzzer sounded, the record read 3-3 in PAC and 6-8 for the total season. As well as being high scorer for the year, Senior guard and captain Tammy Wertman broke three school records, most points scored in a single game, most field goals scored in a single game, and most points scored in a single season. The Junior Varsity girls gained valuable experience on the floor as they earned their 7-2 win-loss record. Jackie Bartelt led the JV team in scoring.

Leading scorer Tammy Wertman adds two more points to her 271 year total which set a new school record.

Underclassmen Team Places Second Consistently

Without any Seniors on the team, the Raider track team did an outstanding job. They placed second not only in the PAC but in every invitational they entered. Many meets were hampered by the cold and rain, but it did not stop the Raiders' performance. This year's young team received much encouragement from their coaches. They were sparked by Asst. Coach Bill Schnieder who helped rouse spirit by running with the team during hard practices and by experienced Head Coach Gary Duncan who knew which event was best for his boys. When this team says "Next Year," no one doubts their claim.

Raiders Best Five Teams to Win Forest Park

The Raider girls ran a successful season with twenty-one wins and only five losses. They came in first out of six teams in the Forest Park Invitational and second only to North Posey in the PAC meet. This clinched the first Girls' All Sports Trophy for the Raiders. In many meets the girls only won a few firsts, but their overall depth put them on top. Thanks to Coach Terri Droege, Assistant Coach Rosemary Fischer, and the spirit of the team, the Raider track team did an outstanding job.

Baseball Raiders Manage 11-9 Season

With only five returning lettermen the SHS 1977-78 Raider baseball team compiled an eleven win nine loss season. In addition to the regular PAC and area foes, this year's schedule included touring teams from Gobles, Michigan and North Miami. Seniors Keith Becher, Jeff Sibrel, Ron Betz, Jay Boeglin, Greg Frick, and Craig Wuertz led the Raiders throughout the season. At the sectional the Raiders advanced to the final game by shutting out Dubois 7-0. The season ended when second ranked Jasper defeated the Raiders in the final game of the sectional.

Second Row: Coach Larry Kieffner, Buck Byers, Mark Caldemeyer, Mark Haas, Dave Schuch, Kent Weigel, and Keith Reller. Senior Rick Hanebutt was absent when pictures were taken.

Under the direction of Coach Larry Kieffner the Raider Tennis Team enjoyed a very successful season. With fourteen wins and only three losses, the team had reasons to be proud. The team finished a close second in the PAC. Junior Jay Nelson received MVP honors, and Junior Dave Schuch was awarded the Most Improved.

Graduating seniors MVP Jim Harris and Dale Altstadt leave fourteen returning linksmen for next year.

Varsity Athletes Recognized at

Following an established tradition, the Huntingburg Optimists Club again hosted the All-Sports Banquet. This year tribute was paid to Bobby Watson who was to have been the speaker, but he, along with the entire University of Evansville basketball team was killed in a plane crash, several months earlier. Also honored were participants in the various sports at Southridge. After a delicious meal and songs by the FCA choir, the award winners were announced; they are as follows:

Southridge Athletes Sweep PAC for

Tammy Wertman became the school's first athlete to win an SHS blanket for earning twelve letters.

Although winning the PAC All Sports Trophies was one of the highlights in sports, Southridge athletes brought home other honors. Some triumphs were team triumphs and others were individual, but winning earned them recognition. There were other winners who received no special recognition. For them, improving their time or getting a few minutes of playing time were the highpoints of the year. These athletes are real winners too. Whether earning the twelfth letter or hoping for the first, Southridge athletes posted a banner year.

PEOPLE

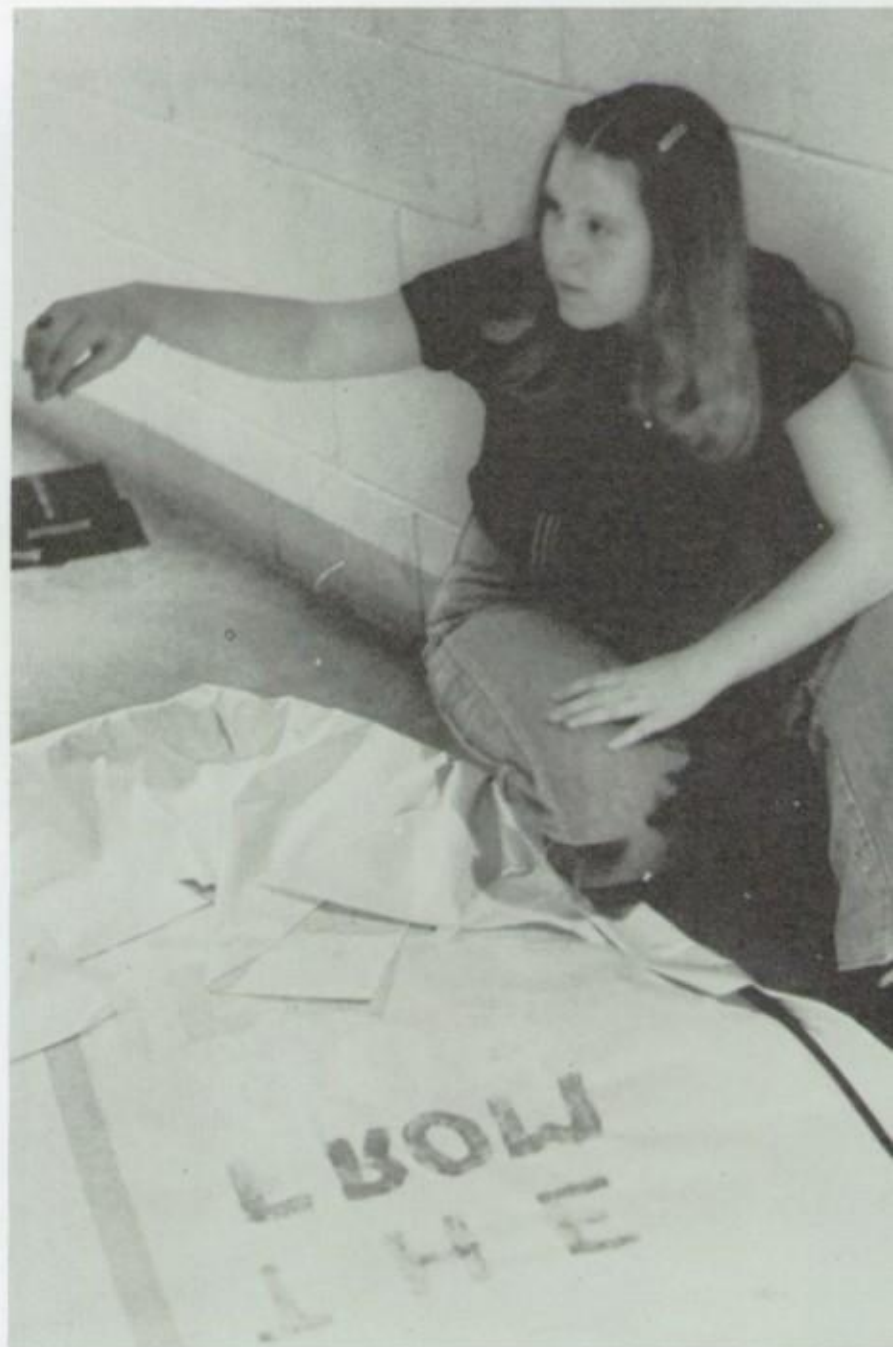

How Does It Feel

After four years of anticipating graduation, we, the Class of 1978, now realize it has been worth waiting for. During these years, we have had many victorious moments. We have experienced these while participation in clubs, sports, color guard, band, choir, and musicals. When we competed in these organizations, we showed our fellow classmates and other spectators that we were proud winners and dignified losers. Our class shared both happy and sad moments. Together we went to Pasqualie's or Shakey's for a pizza, drove around Jasper, had fun at parties, went to Fulda dances, went to concerts, cheered our team on at ballgames, won State Marching Contest, rejoiced when our research papers were completed, crammed for tests, cried at State Marching Contest, went to dances at the Youth Center, and traded name cards and pictures. Throughout the past four years, we have learned a great deal about success and failure. We now know that it is impossible to know what one is like without first experiencing the other. With this knowledge we will bid farewell to Southridge High School. We will leave it behind, but the memories will be with us forever. The following lines are from a poem written by a Senior. In it, our past, present, and future feelings are summed up.

Thinking how quickly those first 3 years passed,
And finding the fastest is surely the last.
Dreaming of May in our anticipation,
But smiling and weeping at our graduation.

Ending Our Times Together, but

The big moment finally arrived for the Class of 1978—7:30 P.M., May 19.

Choosing our class motto . . . Sending out invitations . . . Planning graduation parties . . . Playing frisbee during practice . . . Sweating through practice . . . Trying to get to school by 6:45 . . . Pinning each others flower on . . . Trying to find a mirror so we can adjust our caps . . . Trying to pair up with the same partner we had during practice . . . Avoiding the bugs out on the field during commencement . . . Remembering which hand to shake with and which to receive with . . . Receiving our diplomas . . . Turning our tassels . . . Finishing the ceremony with no microphone . . . Saying thank you before being congratulated . . . Sharing tears with family and friends . . . Trying to hit all the graduation parties afterwards . . . Seeing our class together for the last time . . . Waiting for our first reunion . . .

Class Sponsor DeAnna Eckert gives the Class of '78 last minute instructions for the commencement exercises. (Bottom) Excitement radiates from the faces of some senior girls as they watch their classmates approach.

How Does It Feel To Be a Junior?

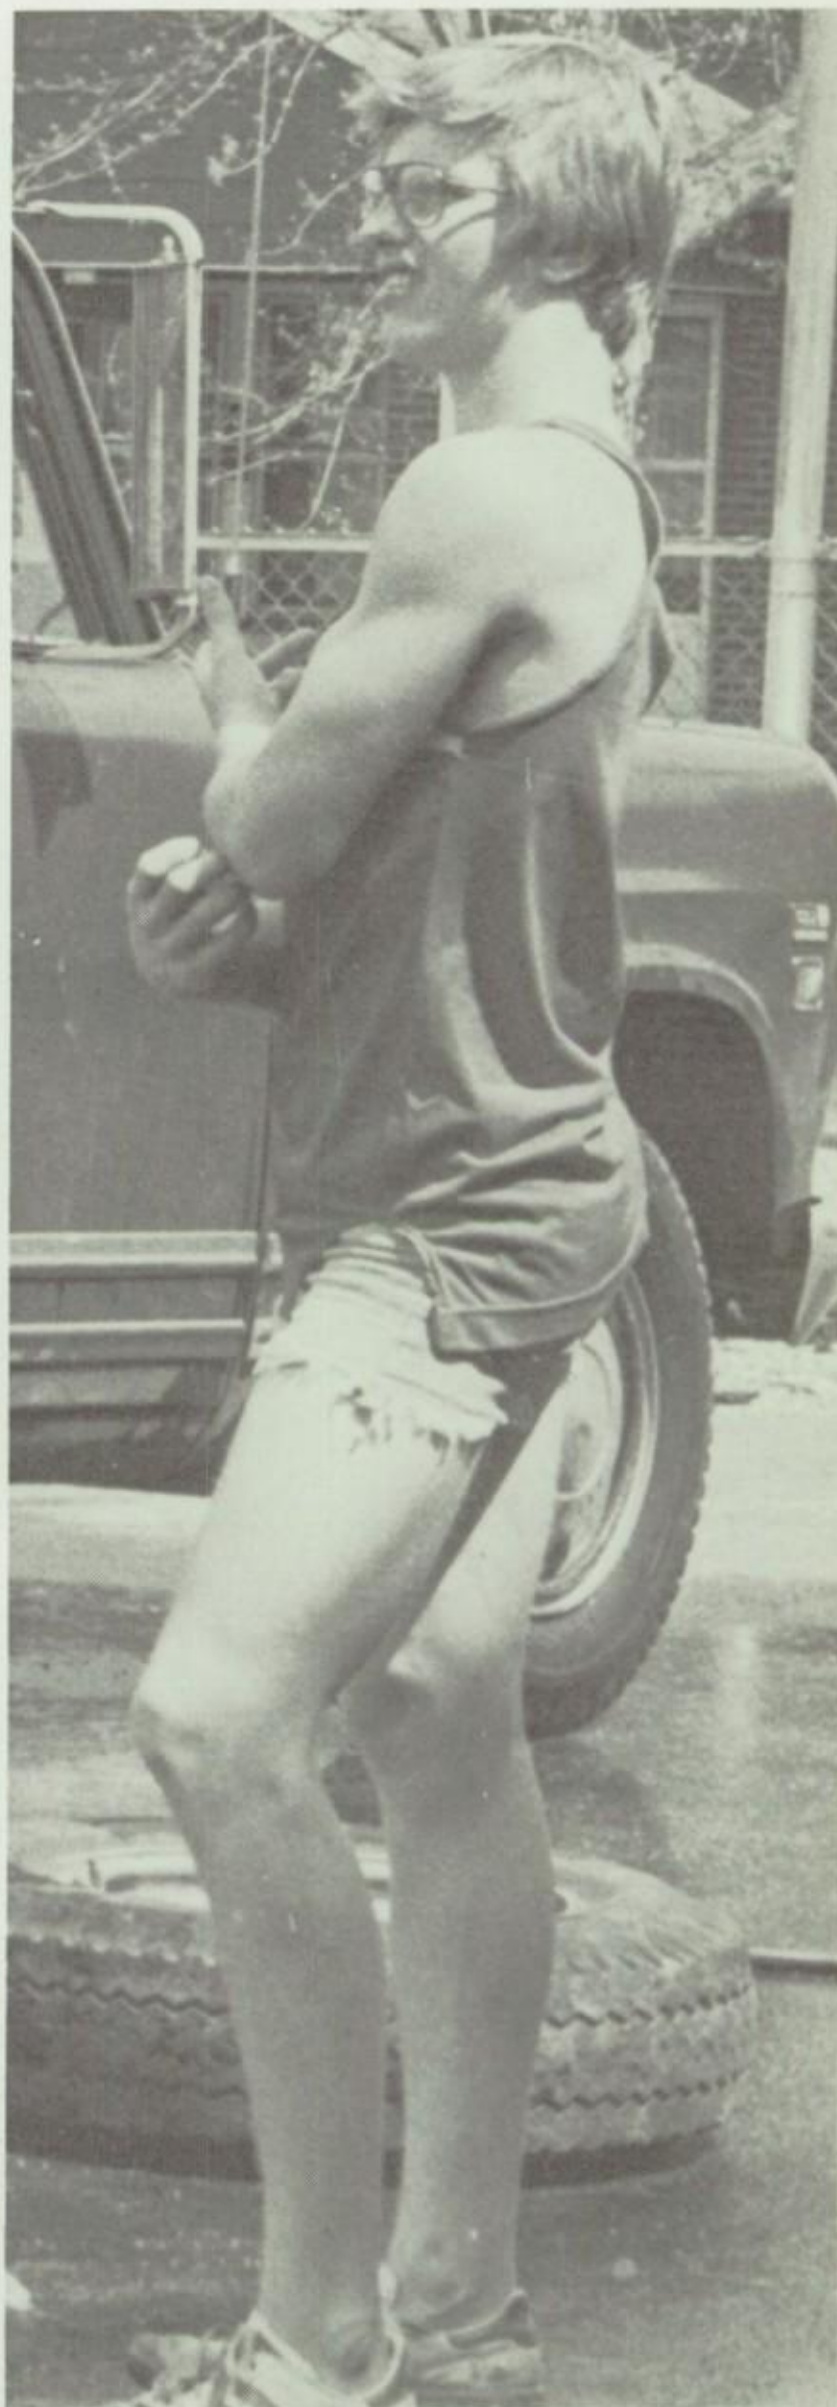

Our year was filled with high spirits and good times. To start the year off right our typewriter won the float competition. Although the powder puff game didn't turn out the way we had planned, we still had fun, not only at the game but also at the practices. During the winter months basketball games, dances, and projects occupied our time. We didn't let up on our enthusiasm and went on to have a first-class prom. The realization that our Junior year is over and that we will be coming back as Seniors is startling but greatly anticipated.

Helping decorate for the prom are Karen Lee, Debi Harris, and Dana Davis.

Through much hard work, the Junior float beat the other classes and won the big blue ribbon.

Juniors Anticipate Last Year

How Does It Feel To Be a Sophomore?

How does it feel to be a "78" Sophomore? It feels GREAT!!! We're not greenies anymore, and we feel more like a part of the school. This year we are getting more involved in school activities, and we are taking harder classes like geometry, advanced biology, and the second year of foreign languages

which is a lot tougher. Getting our class jackets and class rings but most of all getting our driver's licenses were some of the things we looked forward to this year. It's hard to believe that we are halfway through high school, but we are looking forward to the next two years here at SHS.

Sophomores Approach Juniority

How Does It Feel to Be a Freshmen?

Being a Freshman at Southridge High School is really an experience. Trying to explain to your parents about a bad grade, struggling to understand the DNA molecule, and being considered "greenies" by the upper classmen are a few of our "way down lows." But the "way up highs" are something to remember. Bringing a grade up, participating in homecoming and sectional week activities, and supporting athletic events are some major highs. All in all, the Freshmen feel proud to be Southridge Raiders.

Student Council representatives serve as class officers for the freshmen class. They are Denise Jochum, Betsy Pickle, Duane Englert, and Mark Enlow.

Freshmen boys make use of unscheduled mods by doing homework in the commons. They are Jim Schwartz, Mark Enlow, Alan Haas, Duane Englert, Terry Underhill, and Perry Peach.

Freshmen yearbook staffers Angie Garrison, Kathy Miller, Kim Head, Kyla Knies, and Denise Jochum look over the freshmen album prints for the album section.

Front Office Makes Final

Southridge High School is the only high school in the Southwest Dubois County school district. The broad policies for the approximately seven hundred students and faculty are set by an appointed school board and the superintendents. At SHS, Principal Ray Roesner and Vice-principal Jim Bilderback implement the board's decisions. A caring guidance department helps the students when they need to make decisions, and the athletic director oversees the chores that are necessary for a school with thirteen varsity sports. All of these people are responsible for the smooth functioning of SHS.

(Right) Assistant Superintendent Dick Cochren; School Board members Dennis Balsmeyer, Alan Nass, and Max Olinger; and Superintendent William Schnute are ready to begin a regular meeting.

(Right middle) There's a long story behind this cake; for details contact Lowell Beasley or Jim Bardwell.

Just prior to diploma presentation, the class of '78 is presented by Principal Ray Roesner.

(Right) Jay Moesner is aided by Guidance Counselor DeAnna Eckert just before commencement.

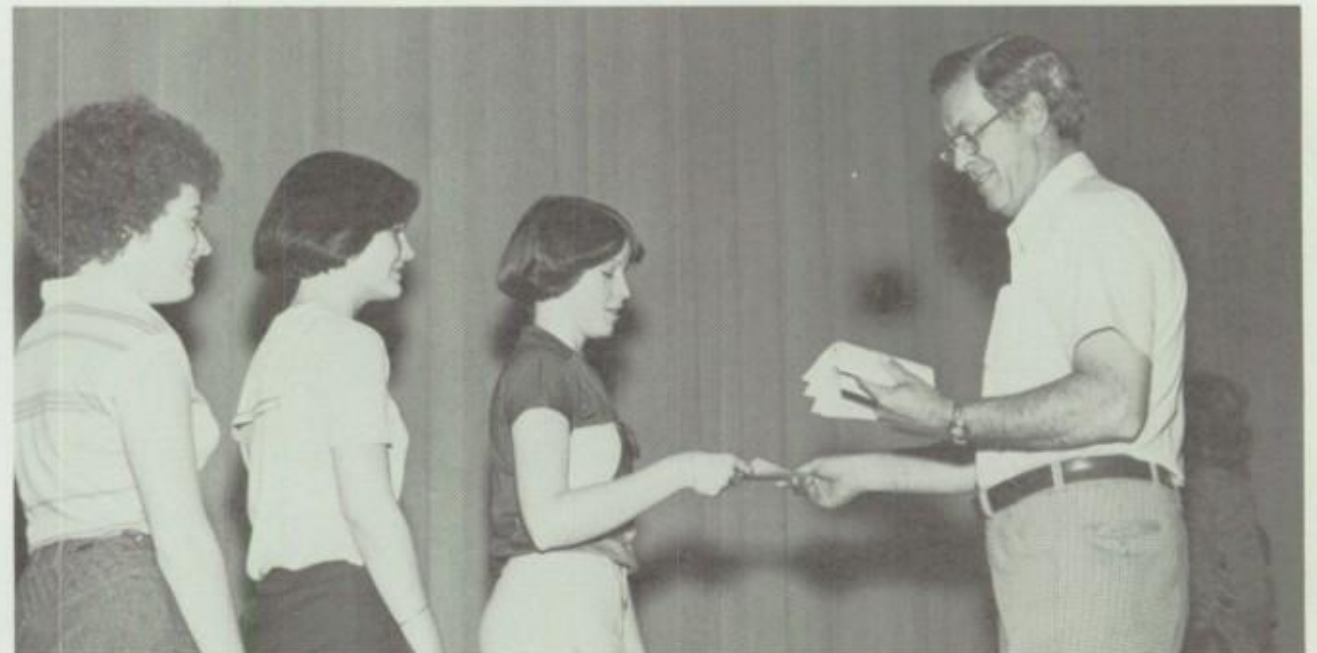

Decisions

Lisa Beyke, Michelle Wahl, Mary Schnell, Lori Bullock, and Dana Coons watch Vice-principal Jim Bilderback confiscate Joanna Beadles' water pistol.

Librarian Margaret Katterhenry opens a conference room for Bill Bartelt.

(Middle Right) Receiving scholarship awards from Guidance Counselor Robert Luker are Sharon Thimling, Terri Steinkamp, and Jean Rosenblatt.

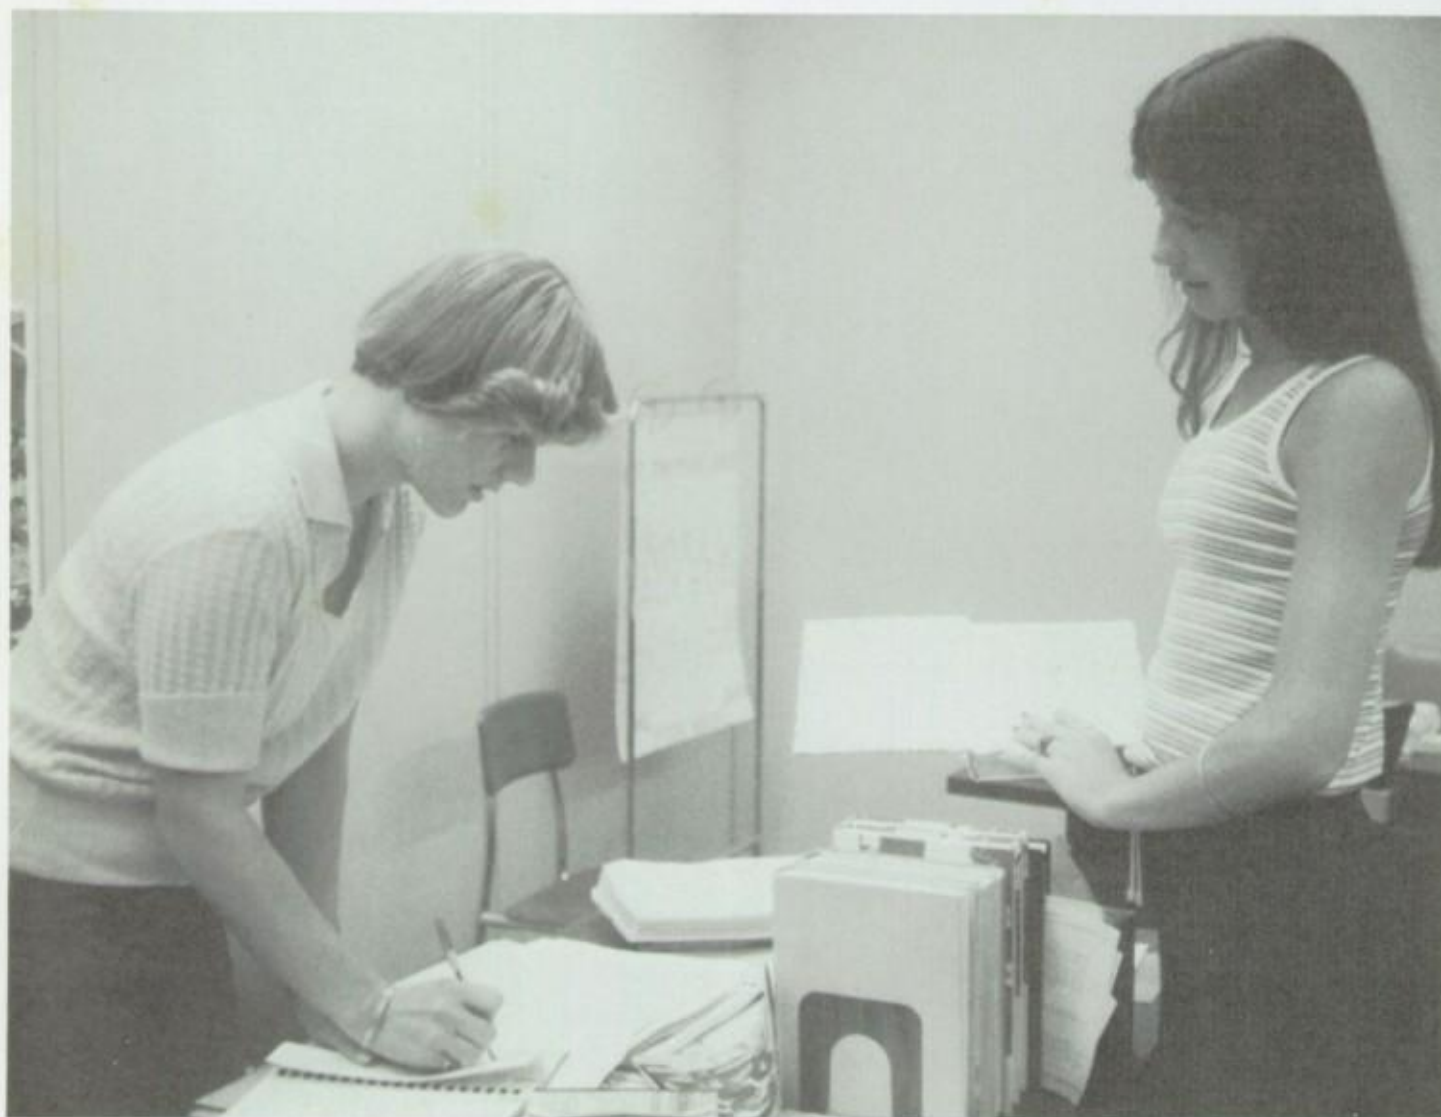

(Right) Mr. Jim Bilderback and AD Jim Bardwell take a little heckling from opponents and students at the donkey basketball.

Language Arts Adopts New Texts

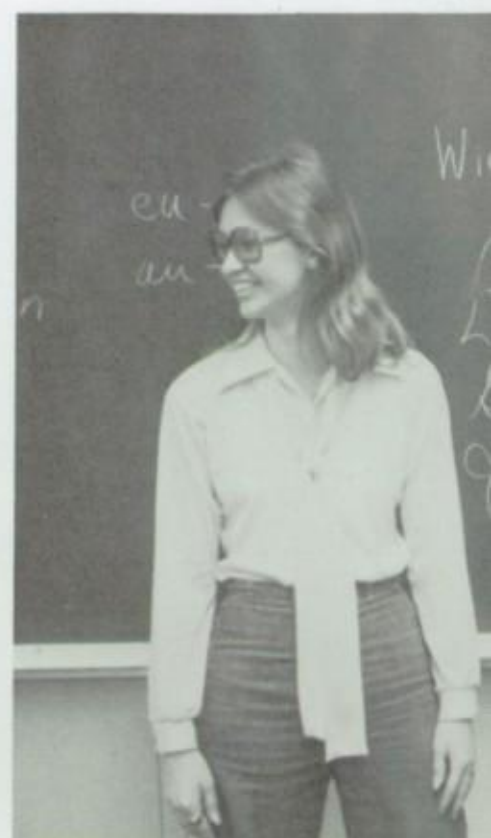

At Southridge the Language Arts department includes the traditional literature, grammar, comp, and speech. In addition to this, German and Spanish are offered as electives to interested students. This year there were some changes made. The English Independent Study Area was moved next door to a larger room, and the teachers'

desks were also moved to this area. Two new teachers joined the department this year. They are Karen Osborn who teaches English 9 and 10, and Rosemary Fischer who teaches Spanish.

Spanish teacher Rosemary Fischer checks in Jeana Morgan's textbook.

Advanced Comp and English 9 teacher Sharon Wertman is also yearbook advisor. Here she presents awards to her co-editors Jean Rosenblatt and Julie Olinger.

Team teachers Mr. Pat Ruhe and Mr. Keith Younker head for the bookstore with the English 11 books.

Visitor Alvaretta Freeman wears a Mexican costume as she shows Mexican craft products to the Spanish 9 class.

Morning hall duty was one of Karen Osborn's non-teaching assignments.

Art Stilwell (standing) and Larry Kieffner look over some of the texts on the state adoption list.

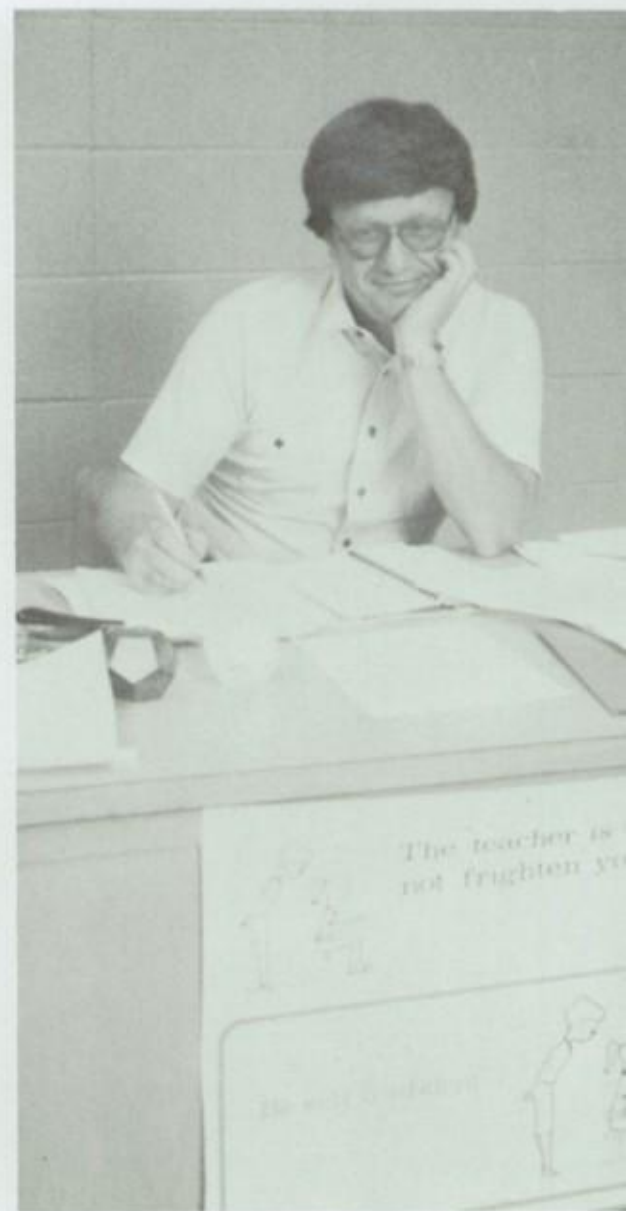

German 4 student Sue Schwinghamer and German teacher Jan Waninger show middle school German club members how to write "How old are you?" in German.

Social Studies, Business Departments

At Southridge the Social Studies Department consists of the usual history and civic courses. Add to this various geography, psychology, and sociology courses, and one begins to see that a wide range of subjects are taught here. The same is true of the Business Department. Although all classes are elective, the student gets a good foundation in business skills and concepts which may be used as the basis for further study or for a job.

(Right) Business teacher Dave Ring makes the final check on second semester grades.

Jerry Hunefeld and Jim Bardwell report times to Chris Gasser while helping out at a girls' track meet.

Using their prep time wisely, Al Mihajlovits and Charlene Knies discuss a history test.

(Right) Hard at work in the business department are Robert Schroeder and Verla Flick.

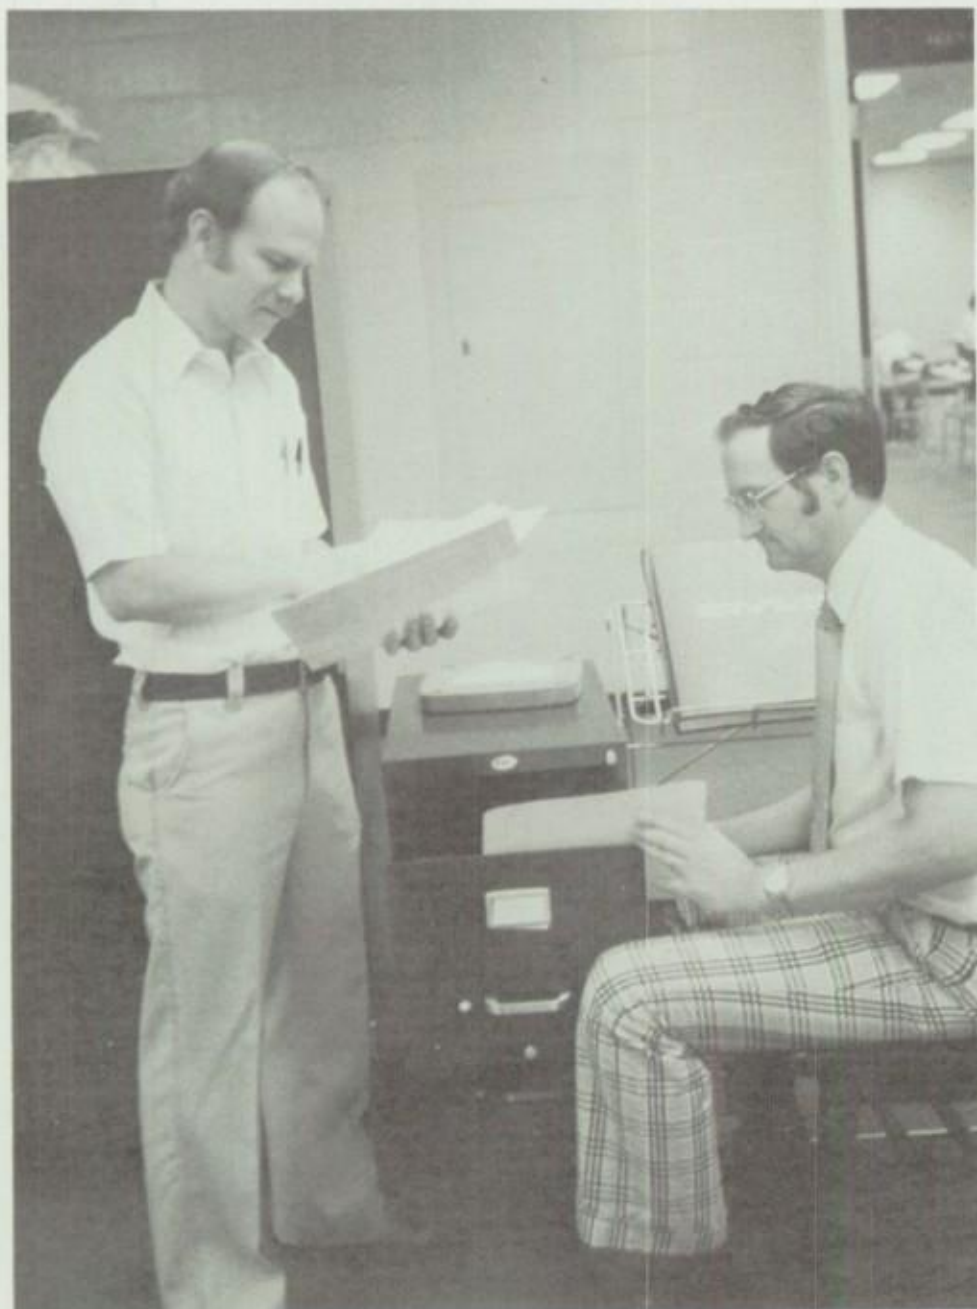

Have Practical, Social Aspects

(Left) In addition to teaching, some teachers sponsor a club. Mr. Oxley is shown just prior to boarding the bus for the Conservation Club's field trip.

Audio-visual aids are a great asset to students at SHS. Charles Katterhenry sets up the filmstrip projector for Bud George's class.

(Left) Organizing the Social Studies Independent Study filing cabinet are Greg Akers and Jerry Hunefeld.

Math, Science Offer Strong Program

Bill Schneider and Rich Weber check geometry projects.

Math and Science departments offer several elective classes in addition to the required courses of freshman biology and math. Students who wish to may choose from nine advanced level classes ending with physics in science and calculus in math. Special visitors, films, field trips, and lab experiments enhance the learning in these two areas. (Lowell Beasley is pictured on page 130.)

Leaving for a field trip is the aeronautics class consisting of Brad Blume, Brian Michel, Mike Dwyer, Mike Boyer, teacher Glenn Menke, Jon Hemmer, and Mark Mullis.

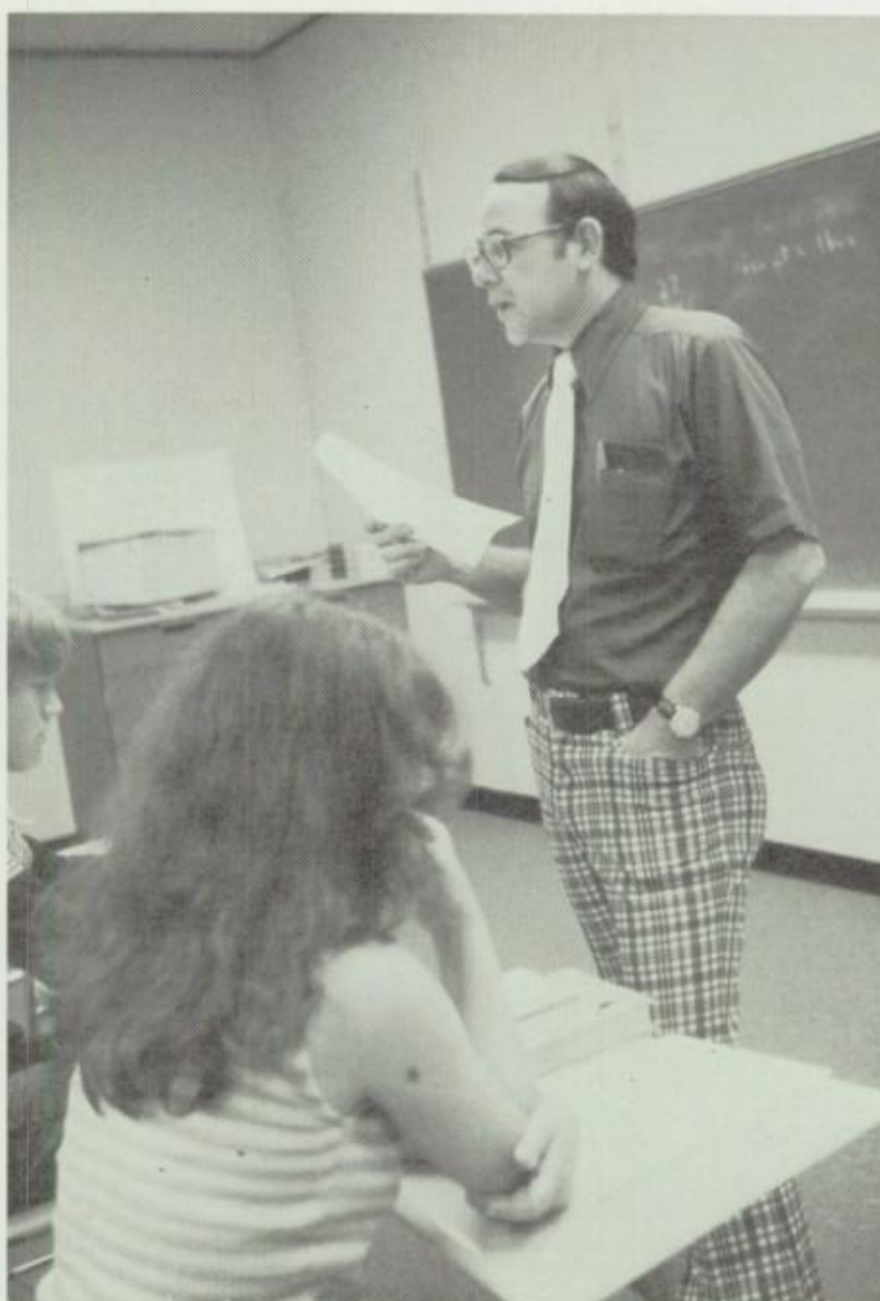

(Bottom) Moving plants from the greenhouse is biology teacher Mr. Pete Molby.

Wayne Ransome puts biology lab materials away at the end of the school year.

Mr. Richard Molby, father of teacher Pete Molby, explains how useful and harmless most snakes are.

Larry Backer reviews a test with a general math class.

South End Of Building Features Variety

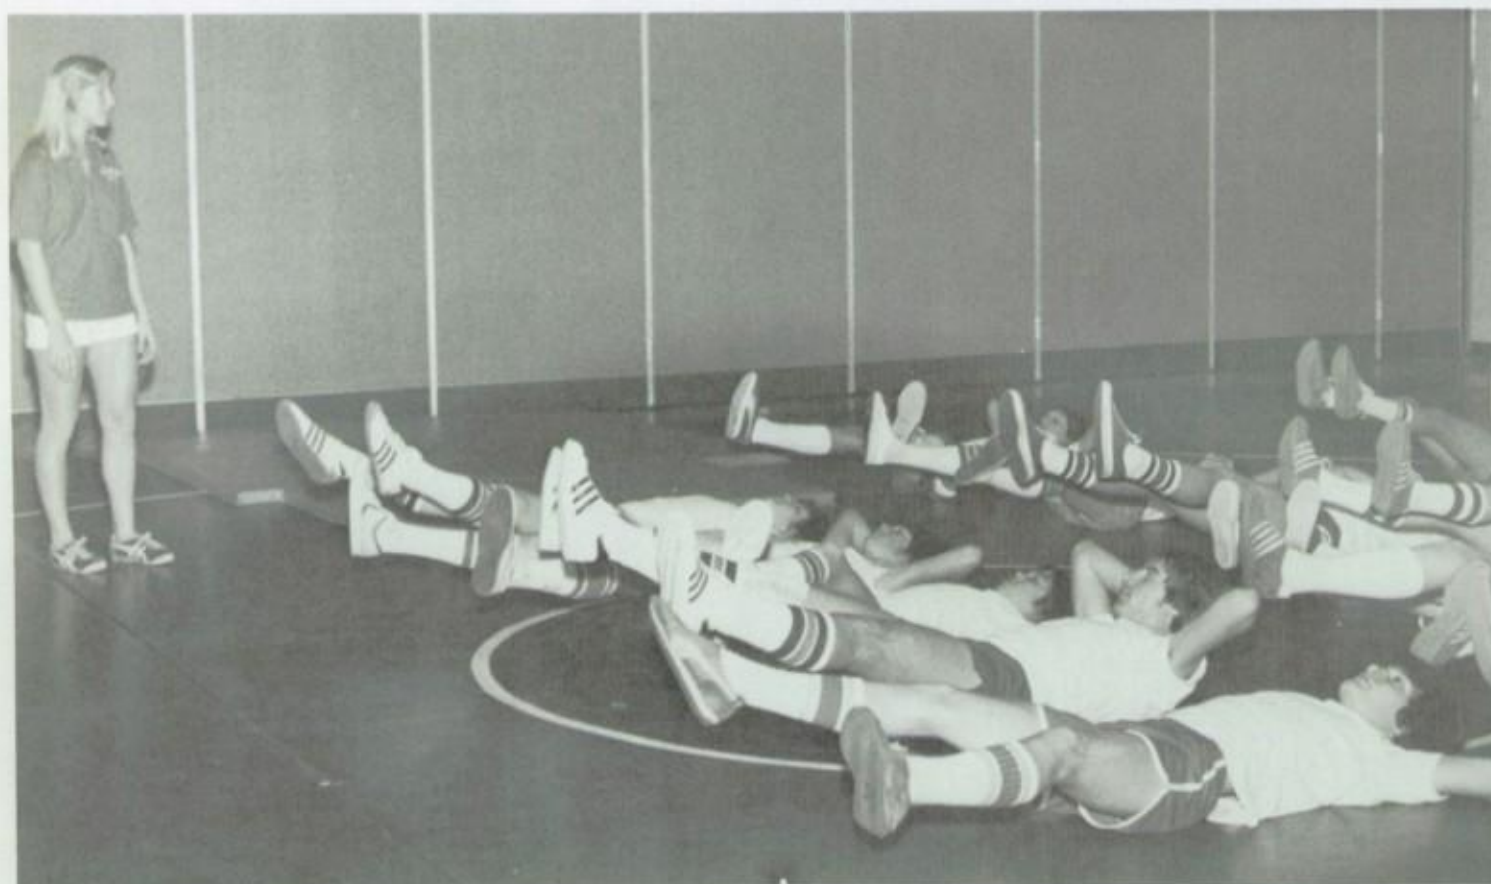

Turn left at the main entrance, and there it is: The South Half. Perhaps we don't really think of it that way, but it really does feature many subjects. Here are the driving simulators, the gyms, the pool, the vocational studies area, the music rooms and the art area. It's a busy place. No matter which mod it is, something is going on. The smells range from chlorine to chocolate cake; the sounds vary from supporting-our-team screams to rousing march tunes or lovely melodies. For some of the sights, look at the pictures.

Ready for a spin is driver's education teacher Gary Duncan and student Janice Childress.

Physical Education teacher Randy Glans seems to be barely holding on as his donkey tries a stiff-legged buck.

These book racks made by industrial arts students are the object of Mr. John Blemker's attention at the open house.

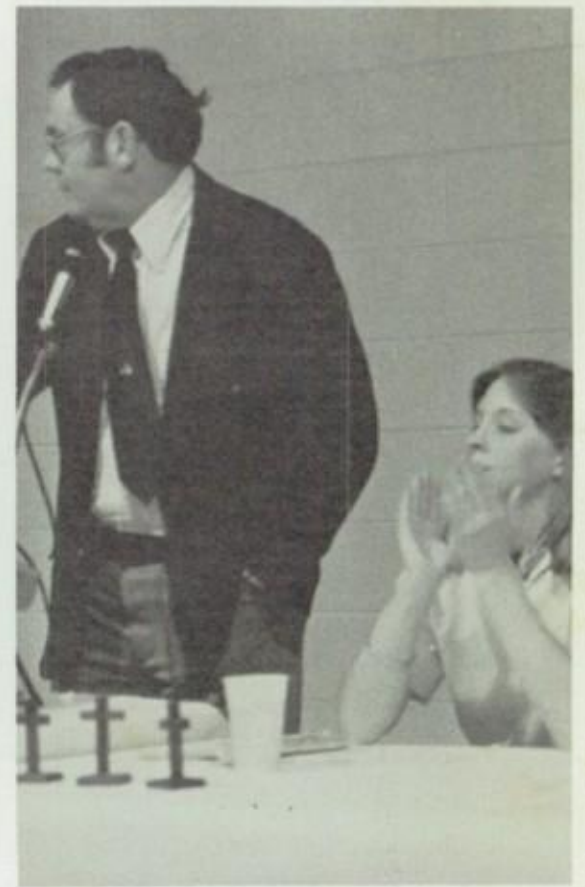

Leg lifts are the exercise of the day for Terri Droege's physical education class.

This parents' night conference consists of agriculture teacher Jim Buck, John Blemker, auto mechanics teacher Gary Meyer, and Fred Fennimore.

A common extra curricular duty is being a club sponsor. Here Mr. LeRoy Berry serves as host at the FCA banquet.

For one day each spring the child development class has toddlers as special guests. Mrs. Becky Fennimore makes some of the guests feel at home. Mr. Shirley Messmer and students observe.

Hanging art work for the Spring Open House is Lavonne Hunter.

What Would Southridge Do Without Them?

(Right) One of the janitorial staff who keeps SHS spotless is Jean Nalley. Others who are not pictured are Florence Meyer, Lawrence Cronin Sr., and Norma Kline. Mr. Dick Grewe is pictured on page 12.

(Right middle) Cooks at Southridge are, seated: Jean Rademacher, Barbara Bilderback, and Helen Lemkuhler; standing: Shirley Reese, Mary Frick, Ella Mae Norris and Anna Altmeyer. Ruth Williamson was absent when pictures were taken.

(Below) Aids Marilyn Duncan, Betty Koehler, and Lillian Mather look at the 1977-78 school scrapbook.

The office crew at Southridge enjoys the morning coffee break. Sharon Kamman pours for Marlene Frye and Pat Childress (seated).

(Right) Reading Lab participants Roger Reller, Jeff Pfaff, Mary Merkel, Tracey Riggles, and Karen Skaggs are assisted by Aid Linda Chambers.

What do you get when you spell milk bank backwards? KLIM KNAB. This is the name chosen for the Junior Achievement group that the Holland Dairy and the Holland National Bank sponsored. The group made various products including lamps and dried flower arrangements. They managed to compile an excellent attendance record. Marilyn Fleck, Ron Henke, and Leon Libbert aided the group's efforts.

Looking over the company records are Marilyn Fleck, adult advisor; Cheryl Uebelhoer, Vice-president of marketing; and Carol Nuhring, company treasurer.

Looking at the lamp materials are President Steve Parke, Karen Hackman, and Advisor Ron Henke.

How Did It Feel To Be a Southridge Raider?

Our "highs" and "lows" came as regularly as day and night. The "lows" came and brought with them all of the unhappy moments, but these were quickly forgotten. The "highs" were exciting and seemed to pass too fast—they will be the times which we will never forget. Southridge had its share of "lows" but the "highs" are what we measured the year by. How did it feel to be a Raider during 1977 and 1978? We hope we have shown exactly how it felt.

We would like to take this opportunity to thank all those who helped us put this book together. The Huntingburg Independent and The Daily Herald deserve special thanks for allowing us to use some of their pictures. Marvin Boeglin, Dan Patmore, Mark Petersen, Art Stilwell, and Keith Younker were kind enough to take and/or print pictures which helped us immensely. We also thank the advertisers whose contributions helped make this book possible and the administration whose support encouraged us.
